

**RHODE ISLAND PUBLIC TRANSIT AUTHORITY
POSITION DESCRIPTION**

Job Title: Executive Director of Paratransit Services **Date:** January 2019
Department: Operations **Supercedes:** September 2014
Reports to: Chief of Operations

Description of Work:

This senior level management position, a key member of the executive team, will serve as the Executive Director of Paratransit Services for the Rhode Island Public Transit Authority. Under the general direction, implements the administration functions of the Flexible Services and RIDE Administration Divisions to insure that policies and goals of the Authority are being met with those established and within budget. Informs the Chief of Operations regarding the operation of the Flex and RIDE Divisions. Addresses service problems and recommends long/short term solutions. Directly manages and distributes assignments to all Operations Coordinators and Superintendents. Insures that contractual Authority policies and practices are followed. Oversees the discipline process ensuring consistent application and participates in the resolution of grievances. Meets with the Business Agent and other representatives of the Union to resolve issues, grievances, or disciplinary actions. Responsible for providing customer service both in person and by telephone; researches and develops responses to passengers, community or other external inquiries. Establishes a rapport with local and state officials and agencies to promote the use of the State's Transportation Services. Leads the Department with a focus on improving the overall productivity, efficiency and effectiveness.

Essential Duties and Responsibilities:

1. Responsible for the management and supervision of all Flexible Services and RIDE Administration Departments employees.
2. Directs the safe and reliable provision of Flex bus services either internally or on the road; ensuring that service is met.
3. Provides overall policy direction and enforcement of safety guidelines for Flex Operators.
4. Establishes goals and policies to improve the performance of employees and the delivery of service.
5. Review federal and state regulations regarding issues of concern to the Authority to insure regulations are met including all ADA related issues such as wheel chair lift failures and response time to the failed service.
6. Meet with public and private officials when needed to discuss transit issues affecting the Authority.
7. Correspond and meets with members of the public regarding complaints of service and to promote Paratransit and Flex Services.
8. Meets with operators to resolve problems and rule violations and administers appropriate disciplinary action, including termination.
9. Supervises the timekeeping of all van operators.
10. Oversees the assignment of vacation weeks to all Operations.
11. Receives and coordinates investigation of all customer complaints; assuring that a full investigation is conducted and appropriate follow-up is completed in a timely manner.
12. Establish and maintain sound Labor-Management relations; responsible for grievance process.
13. Remain on 24-hour call for all types of emergencies and snowstorms.

RHODE ISLAND PUBLIC TRANSIT AUTHORITY POSITION DESCRIPTION

14. Responsible for rendering proper notification of all Department heads in the event of emergency and/or unusual situations.
15. Meet with members of staff to discuss daily service delivery.
16. Conducts special projects and duties as assigned by the Chief of Operations.
17. Performs other related duties as assigned.

Qualification Requirements:

To perform this job successfully, an individual must be able to perform each essential duty satisfactorily. The requirements listed below are representative of the knowledge, skill, and/or ability required. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

Basic Knowledge:

Must be a graduate of an accredited college or university with a Bachelors Degree in business or public administration, public sector planning, or closely related field. A Master's Degree is preferred. Must be highly organized, possess the ability to pay close attention to detail and work with frequent interruptions.
