

WHAT IS FLEX?

Flex Service brings a public transportation option to areas that have little or no regular service. Flex Service is unique in that provides custom reservations RIPTA riders! Passengers can choose their own pick-up or drop off points within the designated Flex Zone.

And even though Flex primarily provides local service within its designated zone, it can connect you to our statewide network.

How Flex Can Work For You

- **Just make a reservation*** to be picked up at the curb at any address within your Flex Zone (please see accompanying map). **Make a reservation by calling 1-877-906-3539 or 401-784-9500, ext. 220.** You cannot make reservations with the driver.
- Once on board, you can request to **get off anywhere in the Flex Zone**—just remember that the Woonsocket Flex van operates in the area indicated on the map. Custom stops will be made in the same direction as the van is traveling.
- Some Flex routes* **combine normal scheduled stops with the reservation service.** Because of custom stops, the Flex van may arrive at stops up to 10 minutes after the designated time.

**Please refer to the map page of this brochure to check if scheduled stops apply to this route and plan accordingly.*

Traveling Outside Your Flex Zone

To travel outside your Flex Zone it is necessary to connect to fixed-route service. In Woonsocket, you can **transfer to regular RIPTA Routes 54, 87, and 59X.** The Flex vehicle cannot travel outside its zone.
