

WHAT IS FLEX?

Flex Service brings a public transportation option to areas that have little or no regular service. Flex Service is unique in that it combines designated bus stops with custom reservation options—all in one service! Passengers have the option of picking up the Flex van at a scheduled stop or choosing their own pick-up or drop off points within the designated Flex Zone.

And even though Flex primarily provides local service within its designated zone, it can connect you to our statewide network.

How Flex Can Work For You

- Just **board at a scheduled Flex stop*** or **make a reservation** to be picked up at the curb at any address within your Flex Zone (*please see accompanying map*).
- Once on board, you can request to **get off anywhere in the Flex Zone**—just remember that the Pascoag/Slatersville Flex van operates in the area indicated on the map. Custom stops will be made in the areas the van is traveling.
- If you aren't boarding at a scheduled Flex Stop, you need to **make a reservation** by calling **1-877-906-3539** or **401-784-9500, ext. 220**. You cannot make reservations with the driver.

**Because of custom stops, the Flex van may arrive at stops up to 10 minutes after the designated time.*

Traveling Outside Your Flex Zone

To travel outside your Flex Zone it is necessary to connect to fixed-route service. In Pascoag/Slatersville, the Flex route has scheduled stops on **Sayles Avenue** where you can **transfer to regular RIPTA Route 9X**. There are also scheduled stops at **Wal-Mart** where you can **transfer to regular RIPTA Routes 54 and 59x**. The Flex vehicle cannot travel outside its zone.
