Celebrate RIPTA Employees on National Transit Employee Appreciation Day!

On March 18, RIPTA joins transit agencies nationwide in celebrating National Transit Employee Appreciation Day, a day to recognize the hardworking employees who keep Rhode Island moving. From bus operators and maintenance crews to customer service staff and dispatchers, these employees provide an essential service to our communities every day.

Join us in saying "thank you!" Visit [RIPTA.com/thanks](https://ripta.com/thanks) to download, print and sign a Transit Employee Appreciation Day card to pass out to your favorite bus driver or RIPTA employee. Transit Employee Appreciation Day cards will also be available to pick up at Kennedy Plaza beginning on March 10, 2025. You can also share a shout-out on social media using #ThanksRIPTA.

Public transit is about people, and RIPTA employees go the extra mile to serve the community. Let's take a moment on March 18 to acknowledge their hard work and dedication.

RIPTA Enhances Employee Experience with New Restroom Facilities

RIPTA recently installed new employee bathrooms in the Kennedy Plaza Passenger Terminal. The improvements come as part of RIPTA CEO Chris Durand's ongoing efforts to enhance both the passenger and employee experience.

"We heard directly from our drivers and staff working downtown that better restroom facilities were a priority, and we're pleased to have been able to respond to that feedback," said **Chief Executive Officer Chris Durand**. "These new amenities are a step toward improving the working environment for our dedicated employees."

Representatives from the two labor unions that represent RIPTA employees, LiUNA 808 and ATU 618, joined our CEO to inspect the new amenities. Thank you to **LiUNA Local Union 808** and **Rhode Island AFL-CIO Secretary-Treasurer Karen Hazard**, **LiUNA Local Union 808 President & Field Representative Carla Ciccone**, and **Local ATU 618 President Walter Melillo** for supporting our workers!

We're Repairing Bus Shelters!

It's an ambitious project, but we're up for the challenge! Our Project Management, Long-Range Planning, Service Planning, Customer Service, Finance, Procurement, Body Shop and Buildings & Grounds departments have been working closely on a plan to identify and rehabilitate bus shelters across the state in need of attention. Employee Spotlight : Nicky Mudryy, Marketing & Communications Specialist

Nicky Mudryy's journey to RIPTA proves that creativity and resilience can pave the way to unexpected success. As a Marketing and Communications Specialist, Nicky has channeled these qualities into every aspect of his role, bringing fresh energy, resourcefulness, and a passion for storytelling to RIPTA since 2023.

Originally from Brooklyn, New York, Nicky spent much of his childhood in Northeast Philadelphia, Pennsylvania. Reflecting on his early experiences, Nicky said, "I first discovered creating videos and art during my childhood and it plays a big role in what I'm doing here at RIPTA."

After earning a degree in Film and Video and refining his craft in production, Nicky had several creative projects to show for his efforts, which led to his eventual move to Rhode Island.

"I stumbled upon the Marketing and Communications Specialist role at RIPTA while job searching during a really difficult time in my life. When I got the call offering me the job, it was better than winning the lottery."

Nicky's exceptional video production skills have played a crucial role in transforming the way RIPTA communicates, both internally and externally. His creative vision and technical expertise have enhanced the quality of the agency's messaging and have significantly elevated the RIPTA brand.

From Bike to Work Month promos to documenting press events to creating training videos, his work consistently goes above and beyond to engage, inform, and inspire.

Nicky's creativity shines in larger projects, too. "One of my favorite projects was creating a documentary about the East Side Tunnel. It's a 16-minute historical piece with interviews and footage of the 110-year-old tunnel's renovation project."

Outside of work, Nicky keeps his creativity flowing with personal projects in animation, beat-making, and web design. "I've always been fascinated by art in all its forms. I try out different things, like learning Blender for animation or building a website from scratch."

Nicky's dedication to his craft and his ability to connect with RIPTA's mission make him an invaluable member of the team. His creativity, resourcefulness, and passion for storytelling are sure to leave a lasting impact.
