#### Description of Alternatives Considered:

Given the severity of the budget deficit, there are very few alternatives available to consider. Nearly all RIPTA's services will be affected by service reductions or cuts. The only true alternative is to make deeper reductions and cuts on other services. At this time, RIPTA is spreading the cuts throughout the network in an attempt to reduce the impact to any one area.

#### Substantial Legitimate Justification:

These changes are being proposed due to a severe budget deficit. If RIPTA is able to secure funding prior to implementation, these service changes may be avoided.
