

Title VI Review – Service Change

Choose-Up: Fall 2025

Description of Service Change:

Route: 21

Weekday and Saturday service frequency will be reduced from every 40 minutes to every 50 minutes, a 25% reduction in service frequency. Sunday service frequency will be reduced from every 50 minutes to every 60 minutes, a 20% reduction. The weekday and Saturday changes meet the 25% minimum threshold to be considered major service changes. The span of service on Sundays will be reduced from 14.83 to 13.14 hours. This is an 11% reduction and meets the 10% minimum threshold to be a major service change.

These changes are being proposed due to a severe budget deficit. If RIPTA is able to secure funding prior to implementation, these service changes may be avoided.
