

Title VI Review – Service Change

Choose-Up: Fall 2025

Description of Service Change:

Route: 92

ORIGINAL PROPOSAL:

Service between Kennedy Plaza and Riverview Place on the East Side will be removed from Route 92 and instead operate as a new, separate route, Route 91. Route 91 will run on weekdays only, with service every 60 minutes and no weekend service. Route 92 will continue to serve the current alignment between Kennedy Plaza and Rhode Island College. Weekday and Saturday frequency will not change. Sunday frequency will be reduced from every 30 minutes to every 55 minutes, an 83% reduction. Weekday span of service will decrease from 17.36 to 15.62 hours, a 10% reduction. Sunday service will increase from 10.2 to 11.56 hours, a 13% increase. These are considered major service changes.

NEW PROPOSAL:

NOTE: The new proposal is based on public feedback and an adjusted budget due to additional funds provided by the state.

The route alignment will not change. Weekday peak frequency will not change. Weekday off-peak frequency will be reduced from every 30 to every 45 minutes, a 50% reduction. Saturday service will not change. Sunday frequency will reduce from every 30 to every 45 minutes, a 50% reduction.

These changes are being proposed due to a severe budget deficit.
